Procedures

1. Items for write off/disposal (all IT equipment and any single item over £300) should be listed on the write off/disposal authorisation form, detailing model and serial number, a brief description of the item, and the reason for write off/disposal.
2. The form should be signed and dated by the member of staff requesting write off/disposal, and then passed to the Executive Head Teacher/Head Teacher for authorisation. The Executive Head teacher/Head Teacher should be satisfied that the items are to be written off/disposed of and should then enter on the form the method of disposal (e.g. scrapped, sold, offered to charity etc.).
3. When authorised, the form should be returned to the Trust Finance & Procurement Officer for filing with the inventory. The inventory hosted on the PARAGO cloud system should be updated accordingly and the items disposed of as authorised.
4. The Chief Finance Officer/Trust Finance & Procurement Officer should then inform the Board of Directors Finance and Strategic Development Committee of the items written off/disposed of and this should be recorded in the minutes of the committees meeting stating that the Directors have ratified the decision. Details of the items should also be minuted. A copy of the authorised write off/disposal form attached to the minutes would suffice for this purpose.
